 - v. Approved Minutes of the Library Board of Trustees

III. The Library's response to a request is as follows:

- a. The Library will respond to the requester acknowledging the request and informing the requester of the library's procedure and timeline for completion.
- b. The Library will respond to a written request within five (5) business days (Monday-Friday not including legal holidays in which the Library is closed) of receipt of the request. An extension of an additional five (5) working days may be necessary to properly respond to the request. In such a case the Library will contact the requester to request an extension.
 - i. The Library will furnish the records in the format specified by the requester.
 - ii. A denial of a request will be made in writing, include a detailed factual basis for the application of any exemption claimed, and will include a citation to support the exemption claimed and specific reasons for the denial to support legal authority.
- c. In the case of a voluminous request that is so large that it is impractical to respond within the total ten-day period set forth above, the Library and the requester shall

attempt to agree upon a new date for compliance. In such a case the Library and requester must both agree in writing to the extension. If the request continues to be voluminous or the requester fails to respond, the Library shall respond within 5 business days after it receives the response or 5 days after the final day for the requester to respond to the library's notification, whichever comes earliest.

- i. A voluminous request is a request that:
 1. Includes more than 5 different requests for more than 5 different categories of records or a combination of individual requests that total requests for more than 5 different categories of records in a period of 20 business days; or requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages.
 2. A voluminous request does not include a request made by news media and non-profit, scientific, or academic organizations.
- d. The decision of the FOIA officer may be appealed by contacting:
